

October 25, 2014

State of California  
The Resources Agency  
Department of Forestry and Fire Protection

**PROCLAMATION  
BURN SUSPENSION LIFTED**

**In the Mendocino Unit  
Includes all State Responsibility Areas within Mendocino County**

Due to recent precipitation, low temperatures, increased relative humidity, higher fuel moisture, and general improvement in predicted fire weather conditions; utilizing the authority vested in me by the Director of the Department of Forestry and Fire Protection,

I hereby proclaim: A temporary lifting of the Burn Suspension in Mendocino Unit on **Saturday, October 25, 2014**, at 12:01 A.M.

A Burn Suspension may be reinstated if unseasonably warm and dry conditions return.

CALFIRE Burn Permits are still required within State Responsibility Areas in Mendocino County. This requirement will remain in effect until formally cancelled

This PROCLAMATION is issued in Willits, California, this 25th day of October 2014.

By.

Christopher P. Rowney  
Unit Chief  
Mendocino Unit  
CAL FIRE
